A premium business media phone delivering best-in-class desktop productivity for busy corporate executives and managers.

The Polycom® VVX® 600 phone is a premium business media phone designed to enhance collaboration and personal productivity.

Simplicity and ease of use

The Polycom VVX 600 phone is built for executives and managers who need a powerful, yet intuitive, expandable office phone that helps them stay connected to lead your organization. Founded on the behavior common to smartphones and tablets, the intuitive gesture-based, multi-touch user interface of the Polycom VVX 600 phone makes navigation easy and requires minimal training. With its combined ergonomic design, Polycom® HD Voice™ quality and a large, high resolution color, multi-touch screen, the Polycom VVX 600 business media phone is ideal.

Maximize productivity

Give your executives and managers the best unified communications (UC) experience and the industry's highest quality business media phone. Designed for a broad range of environments from small and medium businesses to large enterprises, the Polycom VVX 600 improves personal productivity.

Highly customizable and expandable

The Polycom VVX 600 phone provides personalized information at a glance, through built-in web applications and a digital photo frame. Polycom VVX 600 users access streaming content using the included video playback feature.

Benefits

- Improve productivity for executives and managers through larger, color multi touch display and more line appearances
- Make more efficient and productive calls with the unparalleled voice clarity of Polycom® HD Voice™
- Improve work space mobility through Bluetooth headset integration
- Leverage previous IT infrastructure investments deploy Polycom VVX 600 business media phones on your existing network without needing to upgrade your call control platform
