

A premium business media phone delivering best-in-class desktop productivity for busy corporate executives and managers.

The Polycom® VVX® 600 phone is a premium business media phone designed to enhance collaboration and personal productivity.

### Simplicity and ease of use

The Polycom VVX 600 phone is built for executives and managers who need a powerful, yet intuitive, expandable office phone that helps them stay connected to lead your organization. Founded on the behavior common to smartphones and tablets, the intuitive gesture-based, multi-touch user interface of the Polycom VVX 600 phone makes navigation easy and requires minimal training. With its combined ergonomic design, Polycom® HD Voice™ quality and a large, high resolution color, multi-touch screen, the Polycom VVX 600 business media phone is ideal.

### Maximize productivity

Give your executives and managers the best unified communications (UC) experience and the industry's highest quality business media phone. Designed for a broad range of environments from small and medium businesses to large enterprises, the Polycom VVX 600 improves personal productivity.

### Highly customizable and expandable

The Polycom VVX 600 phone provides personalized information at a glance, through built-in web applications and a digital photo frame. Polycom VVX 600 users access streaming content using the included video playback feature.

### Benefits

- Improve productivity for executives and managers through larger, color multi touch display and more line appearances
- Make more efficient and productive calls with the unparalleled voice clarity of Polycom® HD Voice™
- Improve work space mobility through Bluetooth headset integration
- Leverage previous IT infrastructure investments deploy Polycom VVX 600 business media phones on your existing network without needing to upgrade your call control platform

# Polycom® VVX 600
